

A word cloud centered around the word "business". The words are arranged in a roughly circular pattern, with "business" at the center. The size of each word indicates its frequency or importance. The colors of the words vary, creating a visual gradient.

The words include:

- problem
- task
- analysis
- approaches
- techniques
- Modeling
- forecasting
- requires
- visualization
- machine
- analytic
- necessary
- seeking
- primary
- intellectual
- client-related
- problems
- information
- learning
- audience
- process
- human
- likelihood
- security
- attitude
- images
- organizational
- Understanding
- related
- Presentation
- client
- strategies
- client
- statistical
- data
- mining
- Risk/return
- communicating
- minimizing
- measure
- sharing
- practitioner
- copyright
- privacy
